Owner-Occupant or Tenant Acceptance of Terms for CSD Weatherization Services
(to be completed by the Owner-Occupant or Tenant)

I agree to accept the following TERMS required for my primary residence to receive services from the Department of Community Services and Development (CSD) weatherization programs(s):

1. I certify that the above-listed property is my primary residence.
2. I (the Owner-Occupant or Tenant), grant the Contractor/Agency permission to enter my dwelling to perform assessments, conduct diagnostics, take photos only of weatherization work to be performed or deferred (as it relates to individual or whole house services), install feasible weatherization services and perform inspections in accordance with CSD weatherization program policies and standards to the above-listed dwelling.
3. I acknowledge that an assessment of my dwelling is necessary to determine the work that can be performed and that the work that is available may be limited due to the needs and condition of my residence. Identified work may not be provided if it does not meet all program requirements and specifications and may lead to full or partial deferral of work. My refusal of certain work may prevent the installation of other identified work in accordance to program requirements.
4. I hereby release and pledge to hold harmless the Contractor/Agency listed below, and its staff, from any liability in connection with the work identified on a summarized list, except as a consequence of gross negligence or willful and wanton misconduct.
5. I authorize the Contractor/Agency to access my utility company records to obtain only energy usage data for a period of one year before and two years after weatherization measures are installed.
6. I grant the Contractor/Agency, local, State and/or Federal inspectors permission to enter the dwelling after reasonable notice to perform inspections to verify the existence and quality of work performed by the Contractor/Agency and compliance with local, State, and/or Federal building codes and programmatic guidelines and acknowledge that a permit may be required for specific weatherization work. I understand that I may be held financially responsible for the weatherization work if I refuse to allow access for inspection and permitting purposes.
7. I shall not remove any permanently installed energy conservation measures unless they are damaged or no longer functional in the residence from where they were installed.

Additional Certifications For Owner-Occupants ONLY:

8. I acknowledge and agree that this property is not for sale at the time of qualifying for the program and will not be offered for sale or otherwise distributed for at least sixty days following the completion of weatherization services.
9. Mobile home units only: I acknowledge that I may not receive services that require a permit if the registration on the mobile unit is not up-to-date.

Additional Certifications For Tenants ONLY:

10. I acknowledge that the Rental Property Owner must grant the Contractor/Agency the same permissions by signing CSD 515B Energy Service Agreement for Rental Property Owner before any services are rendered.

ENERGY SERVICE AGREEMENT FOR OCCUPANT

11. I understand that the Property Owner cannot raise the rent of the unit for a period of two years from the date of weatherization because of the increased value of the unit due solely to weatherization measures provided by the Contractor/Agency (allowable factors for rent increase include an actual increase in property taxes, actual cost of amortizing other improvements to the property accomplished after the date of work completed by the Contractor/Agency, or actual increases in expenses of maintaining and operating this property).
12. I acknowledge that I have been provided a copy of this Agreement explaining its terms effective for a two year period after weatherization services have been completed. Complaint Process: In the event the provisions of this Agreement related to increased rent or the landlord's failure to decrease utility costs for master metered units are not met, tenants may contact the Contractor/Agency to submit a verbal or written complaint, which will be investigated by the Department of Community Services and Development. Contractor/Agency contact information is located on this Agreement under the section entitled, "Contractor/Agency Assurance."
13. I may retain the replacement energy conservation measure installed by the CSD weatherization program(s) if the replaced appliance was my personal property .

I CERTIFY THAT I am the Owner-Occupant or Tenant residing in the dwelling listed above that serves as my primary residence and that all given statements are true and correct to the best of my knowledge. I have read and understand these TERMS and RELEASE, and agree to be bound by all of its terms and conditions in order to receive weatherization services under the CSD weatherization program(s).

ENERGY SERVICE AGREEMENT FOR RENTAL PROPERTY OWNER

Owner or Owner's Agent Acceptance of Terms for CSD Weatherization Services (to be completed by the Owner or Owner's Agent)

I agree to accept all of the following TERMS required for my rental property to receive services from the Department of Community Services and Development (CSD) weatherization program(s):

1. I certify that I am the Owner (or Owner's Agent) of the above-listed rental property.
2. I grant the Contractor/Agency permission to enter my property to perform assessments, conduct diagnostics, take photos only of weatherization work to be performed or deferred (as it relates to individual or whole house services), install feasible weatherization measures and perform inspections in accordance with CSD weatherization program policies and standards to the above-listed rental property.
3. I acknowledge that an assessment of my property is necessary to determine the work that can be performed and that the work that is available may be limited due to the needs and condition of my property. Identified work may not be provided if it does not meet all program requirements and specifications and may lead to full or partial deferral of work. My refusal of certain work may prevent the installation of other identified work in accordance to program requirements.
4. I shall not remove any energy conservation measures unless they are damaged or no longer functional in the rental property from where they were installed. If the replaced item (i.e. refrigerator or other appliance) was the personal property of my tenant, the tenant shall retain the replacement energy conservation measure installed by the CSD weatherization program(s).
5. Mobile home units only: I acknowledge that my property may not receive services that require a permit if the registration is not up-to-date.
6. I hereby release and pledge to hold harmless the Contractor/Agency listed below, and its staff, from any liability in connection with any work identified on a summarized list except as a consequence of gross negligence or willful and wanton misconduct.
7. I authorize the Contractor/Agency to access my complex's utility company master-metered records to obtain only energy usage data for a period of one year before and two years after weatherization measures are installed.
8. I grant the Contractor/Agency, local, State and/or Federal inspectors permission to enter the dwelling after reasonable notice to perform inspections to verify the existence and quality of work performed by the Contractor/Agency and compliance with local, State, and/or Federal building codes and programmatic guidelines and acknowledge that a permit may be required for specific weatherization work. I understand that I may be held financially responsible for the weatherization work if I refuse to allow access for inspection and permitting purposes.
9. I certify that I, as the Owner or Owner's Agent, shall ensure that gas or electric service, or both, that is provided by a master-meter to tenants shall be charged at the utilities' costs in accordance with California Public Utilities Commission Code Section 739.5 or other applicable government regulations.
10. I certify that I, as the Owner or Owner's Agent, shall not raise the rent of any weatherized unit for a period of two years from the date of weatherization-because of the increased value of the unit due solely to weatherization measures provided (allowable factors for rent increase include an actual increase in property taxes, actual cost of amortizing other improvements to the property accomplished after the date of work completed by the Contractor/Agency, or actual increases in expenses of maintaining and operating this property).
11. I acknowledge and agree that this property is not for sale at the time of qualifying for the program and will not be offered for sale or otherwise distributed for at least sixty days following the completion of weatherization services.
12. I certify that I shall provide a copy of this Agreement explaining its terms to all tenants and subsequent tenants residing in the unit within the two year period. Complaint Process: In the event the provisions of this Agreement related to increased rent or the landlord's failure to decrease utility costs for master metered units are not met, tenants may contact the Contractor/Agency to submit a verbal or written complaint, which will be investigated. Contractor/Agency contact information is located on this Agreement under the section entitled, "Contractor/Agency Assurance."

Additional Certification for Unoccupied Multi-Unit Dwellings ONLY:

13. I agree that "rent" is defined as the tenant's monthly payment to the Owner (non-subsidized housing) or the contract rent (subsidized housing).
14. I shall submit to the Contractor/Agency a schedule of rents prior to commencement of work.
15. Federal, State or Local Government Rehabilitation Projects only: I certify that if a vacant unit is counted as being an eligible household for purposes of meeting the minimum threshold for whole building weatherization (66% rule), then the unit will become occupied by an eligible family within 180 days after the completion of weatherization (CFR 440.22(b)(2)(ii)).

10 TIPS ^{For} SAVING ENERGY IN THE HOME

1 Switch to compact fluorescent or LED lightbulbs. They use less energy and last longer.

2 Put on a sweater. You'll warm up without turning up the heat.

3 Install weather-stripping or caulk. Doors and windows are a common source of air leaks.

4 Think before opening the fridge. Keep the cold air in to save energy.

5 Cover pots when cooking. Covers keep in steam and cook food faster.

6 Fully load the dishwasher. It uses the same amount of hot water to wash a single dish as a full load.

7 Choose Energy Star appliances. They're the most efficient ones you can buy.

8 Use a power strip. Plug in multiple devices and turn off the power strip at night.

9 Use the sleep mode. You'll use up to 60% less energy to power electronics.

10 Program your thermostat. Set it to turn down the heat before you go to bed, and to turn it back up in the morning.

IDENTITY THEFT

When you understand how to manage your finances, you've got an invaluable tool in taking control of your life. Wise use of these skills can provide peace of mind, financial freedom, increased buying power and a secure future. This guide is one of a series on **PRACTICAL MONEY SKILLS FOR LIFE.**

CREATE YOUR BUDGET

This worksheet will help you get a clear picture of your monthly finances. It will also act as a starting point for your budget. To complete it, follow the simple steps outlined below.

1. QUESTION YOUR NEEDS AND WANTS What do you want? What do you really need? Evaluate your current financial situation. Take a look at the big picture. Make two lists – one for needs and one for wants. As you make the list, ask yourself:

- Why do I want it?
- How would things be different if I had it?
- What other things would change if I had it? (for better or worse)
- Which things are truly important to me?
- Does this match my values?

2. SET GUIDELINES We all have different budgets based on our needs and wants. But the Building a Budget chart on the next page shows some guidelines on how much should go toward different expenses. You may need to make adjustments for a daily latte fix or visits to family, but remember to subtract amounts from other areas if you do.

3. ADD UP YOUR INCOME To set a monthly budget, you need to know what's coming in. Make sure you include all sources of income such as salaries, interest, pension, and any other income sources.

4. ESTIMATE EXPENSES The best way to do this is to keep track of how much you spend each month. Categorize spending depending on your needs and wants. Use the Budget Worksheet in this guide as a starting point.

5. FIGURE OUT THE DIFFERENCE Once you've created your budget, keep records of your actual income and expenses. This keeps you aware of the difference between what you budget and actually spend.

BUILDING A BUDGET

This chart shows some rough guidelines on how much of your income should go toward different expenses. If you live in an area where transportation is higher than normal or rents/mortgage are higher, you may need to make adjustments. Also, if you would like to add a section for gifts, or something else, then you'll need to subtract from another area.

30%	HOUSING
18%	TRANSPORTATION
16%	FOOD
8%	MISCELLANEOUS
5%	CLOTHING
5%	MEDICAL
5%	RECREATION
5%	UTILITIES
4%	SAVINGS
4%	OTHER DEBTS

6. TRACK, TRIM AND TARGET Once you start tracking, you may be surprised to find you spend hundreds of dollars a month on eating out or other flexible expenses. Some of these are easily trimmed. Cutting back is usually a better place to start than completely cutting out. Be realistic. It will help you to be better prepared for unexpected costs.

The SMART Way to Trim Expenses

In finding ways to trim flexible expenses, it helps to have a goal to save toward each month. Setting such a goal needs to be SMART:

SPECIFIC Smart goals are specific enough to suggest action. Example: Save enough to visit Rome for your wedding anniversary. Not just "save money."

MEASURABLE You need to know when you achieved your goal or how close you are. Example: A trip to Italy costs \$2,000, and you have \$800 saved.

ATTAINABLE The steps toward reaching your goal need to be reasonable and possible. Example: I know I can save enough money each week to purchase that trip to Italy.

RELEVANT The goal needs to make sense. You don't want to work toward a goal that doesn't fit your need. Example: We would like to stay in four-star hotels in celebration of our anniversary.

TIME-RELATED Set a definite target date. Example: I want to go to Italy by next summer.
